I’m Emily, and I’ve been in PTOS since 2007, and in the Denver office since 2015.

Since being in Denver, I’ve planned events like bocce nights, Avalanche hockey games, indoor skydiving, in-office trivia, go karting, woodworking, driving ranges, lunches in the office, trips to the theater, and indoor mini golf. I’ve been instrumental in creating the regional office positions, and wrote a section of the PTOS rules that allows the Treasurer to electronically reimburse members who plan events. Now the process is so much faster! I also write the surveys that get sent to the Denver regional office to gauge which potential events should happen, and which have no interest.

In 2020, I’ve organized a trip to the improv (sign up due February 6), and symphony (sign up due March 6), and am working on having an in-office lunch in January.

I hope to keep planning for the PTOS community in 2020!
